ORLANDO – Senator Gary Siplin (D - Orlando) in conjunction with the community based organization POPS, Inc., Professional Opportunities Program for Students invites you, for the orientation for the 70 students ages 16 – 18 to begin a summer Job Program. This program will give the opportunity to the students to work 40 hours a week, making an hourly wage of \$10.00 dollars per hour while they will receive a career exposure in a successful professional environment.

The Pops program will give the student the opportunity of working during their summer recess; meanwhile they will receive the incentive to return to school with the goal of graduating from High School and pursue a viable career. We invite you to witness the development of a brighter generation.

When: Saturday, June 5, 2004

Where: Dr. J.R. Smith Center
1723 Bruton Boulevard
Orlando, FL 32805
