Re: Martin Lee Anderson

Dear Mr. Ober:

I am demanding the immediate arrest of the guards, the coroner and the nurse, involved in the death of 14-year-old Martin Lee Anderson in the Bay County Boot camp. I am demanding that they be charged with Obstruction of Justice and Conspiracy to Commit Murder.

Since the death of this 14-year-old child on January 6<sup>th</sup> of this year, no charges have been filed, and no arrests have been made. The nurse on site while the beating was taking place has not had her license revoked. The coroner made erroneous allegations as to what caused young Mr. Anderson's death, and the guards haven't even been placed on administrative leave. This is ludicrous! How can murder go unpunished? This is unconstitutional, and goes against everything that is right.
